

Preview Program

The Preview Program is Odonata's Wine Club, and it is one of the few ways (and sometimes the only way) to get our small production, ultra-premium wines. Odonata is a family winery with the goal of showcasing small, unique vineyards that would otherwise be lost in the blend of larger producers. The Preview Program means you are the first to receive and have the option to buy our general release wines. Also, as a Preview Program member you will receive special small lot releases not available to the public. The Preview Program is designed to allow you to keep track of all that is going on and in release from Odonata.

How It Works

- * **Four Shipments Per Year**
- * **Two Bottles Per Shipment**

*** Your credit card will be charged prior to each shipment, and shipments will never exceed \$90 each (and are often much less). Your yearly obligation to receive 8 wines will be approximately \$240.00 (This price includes 15% discount & cost of shipping)*

Perks

- * **Free tasting for two at the Odonata Tasting Room**
- * **20% off first purchase - just for signing up!**
- * **Generous discounts on all future purchases (15% up to a case; 25% up to two cases)**
- * **Invitations to Member Only events, tastings, and parties!**

As a Preview Program member, you will have first access to our limited production wines. In some cases, being a Preview Program member will be the only way to have access to small lot wines.

We Look forward to having you be a part of Odonata!

Cheers!

Denis & Claire Hoey
