2010 RIVER SKIMMER

55% Viognier, 45% Roussane

Hugely aromatic white wine: honey, melon, citrus, stone fruits, passion fruit, you name it! Nice crisp acidity in the mouth with an underlying creaminess; think peaches and cream. This very versatile wine is great as the first bottle before dinner but also goes wonderfully with oysters, seafood of any kind, fresh caprese salad, etc... you get the point!

REGULAR: \$ 20.00

MEMBER: \$17.00

2009 CHARDONNAY

Aromas of toasty oak dancing with stone fruits and pear fill your nose in this Chardonnay. Opulent fruit is at the forefront of the experience, while crisp minerality flows through the core and into the finish as a testament to this great vineyard!

REGULAR: \$ 24.00

2009 PINOT NOIR

This wine is bright and floral with wisps of cherry in the nose, complemented by spice and pretty texture on the palette. Very delicate, playful Pinot Noir. Enjoy this wine with triple cream Brie, salmon, or your favorite cream sauce! The Domani vineyard is 1900 ft in elevation in the Santa Cruz Mountains.

REGULAR: \$ 33.00

2009 GRENACHE

The aromatics are full of raspberries and white pepper. The mouth-feel is luscious and textured, one smooth ride. I am not one to call my wines cocktail wines but this one is good for whenever you pull the cork!

REGULAR: \$28.00

MEMBER: \$23.80

2008 SYRAH

Think fresh cracked black pepper, both in the nose and mouth. Leather and tobacco wisp through the experience and coat your mouth with silky smooth tannins. This is a full wine from beginning to extended end! Sweet candy from the French oak, and the spice and black fruits are from the grapes themselves. This wine is a complete package it has everything I am looking for in a wine and more!

REGULAR: \$ 28.00

2008 DURIF

A rich, dense expression of the Durif varietal with tons of texture. Boysenberries, spice, and flowers all invade your senses. When put to your lips it is chewy, black velvet on the pallet with all of the nose transpiring into the flavors in your mouth!
